Overview of past editions

- Since 2014 [Portugal Ventures](#) has yearly organized “Portugal International Investors Forum” as baseline platform to foster curated relationships for the firm and its portfolio with the relevant international investment community.
- In 2019 Portugal Ventures follows on the success of the past sessions and is setting up a new edition, featuring the top tech venture backable companies from Portugal that are about to pursue an international funding pathway and top speakers from the international community.
- **Recap fast facts about 2018 edition**
 - **27 startups** (17 Technology and 10 Life Sciences)
 - **~100 attendees** (by invitation only)
 - **20+ investors**
- **Among those that attended in previous sessions**
